

Neel-Schaffer remains 187th on *Engineering News-Record's* list of Top 500 Design Firms

JACKSON, Miss. (April 28, 2016) – Neel-Schaffer, Inc., remained 187th on the nation's list of the Top 500 Design firms for 2016, according to *Engineering News-Record*, which compiles the prestigious list and released the information today.

This marks the 22nd consecutive year Neel-Schaffer has been included in ENR's Top 500.

The Top 500 Design Firms list, published annually, is based on design-specific revenue earned over the past year.

Neel-Schaffer is an employee-owned, multi-disciplined engineering and planning firm headquartered in Jackson, Mississippi, with offices throughout Alabama, Florida, Georgia, Kentucky, Louisiana, South Carolina, Tennessee, and Texas.

Through these offices and three subsidiary firms, Neel-Schaffer provides consulting, transportation, traffic, aviation, civil, structural, water, and wastewater engineering services. The firm also offers landscape architecture, environmental science, survey, emergency management, and public outreach services to clients across the South.

About ENR:

Engineering News-Record provides the news, analysis, commentary and data that construction industry professionals need to do their jobs more effectively. ENR's audience includes contractors, project owners, engineers, architects, government regulators and industry suppliers — many of whom work around the world. ENR connects diverse sectors of the industry with coverage that everyone needs about issues such as business management, design, construction methods, technology, safety, law, legislation, environment and labor.
