

Structural Engineer Keeney joins Neel-Schaffer in Tuscaloosa

TUSCALOOSA, Ala. (April 7, 2017) – Neel-Schaffer, Inc., is pleased to announce that Structural Engineer Matt Keeney, PE, has joined the firm in its Tuscaloosa office.

Keeney, who has 17 years of experience, will oversee all structural design for our industrial and private clients.

He has a wide variety of experience in the structural design of commercial facilities, ranging from manufacturing plants to power plants.

“We are excited that Matt decided to join our team in Tuscaloosa,” said Alicia Rudolph, PE, Engineer Manager for Neel-Schaffer’s Tuscaloosa office. “He brings a wealth of knowledge in structural design performed for both industrial and municipal facilities throughout the Southeast. We look forward to continuing to grow our structural department under his leadership.”

Keeney is a Registered Professional Engineer in Alabama and five other states: Florida, Georgia, Iowa, Tennessee, and Wisconsin.

He holds a Bachelor of Science in Civil Engineering from the University of Alabama at Birmingham.
