

Civil Engineer Michael Bussey joins Neel-Schaffer in Arlington

ARLINGTON, Texas (April 25, 2017) – Neel-Schaffer, Inc., is pleased to announce that Civil Engineer Michael Bussey, PE, has joined the firm in its Arlington office.

Bussey has 15 years of experience in planning and designing projects for highway, municipal, and aviation development.

“We are excited about Michael joining our firm in the Arlington office as a project engineer,” said Derek Cheatham, the Vice President for Neel-Schaffer’s North Texas operations. “Michael has a diverse background with experience in municipal engineering, land development, transportation engineering, and asset management. He has also worked previously with the TxDOT Fort Worth District. His experience is a great fit for our current and future projects in North Texas.”

Bussey is a Registered Professional Engineer in Texas and holds a Bachelor of Science in Civil Engineering from the University of Texas at Austin.
