

Anthony Fresolone joins Neel-Schaffer as CE&I Project Manager in Alabama

BIRMINGHAM, Ala. (July 22, 2021) – Neel-Schaffer, Inc., is pleased to announce that Anthony Fresolone, CPESC, has joined the firm and will serve as a Project Manager with the Alabama Construction Engineering and Inspection group.

Anthony has more than 20 years of experience in Construction Management and Inspection, overseeing the completion of many projects for departments of transportation in Alabama and Florida.

“One of our initiatives for the next five years is to grow our Construction Management services and Anthony is a great addition to our staff,” said Wes Nelson, Alabama Construction Services Manager for the firm. “His experience and the relationships he has built with the DOTs in Alabama and Florida are very valuable. He has worked on many large, important projects over the last two decades.”

Anthony is a Certified Professional in Erosion and Sediment Control. He also holds multiple qualifications and certifications from the Alabama Department of Transportation and the Florida Department of Transportation. He is a graduate of the University of West Florida, with a Bachelor of Science in Engineering Technology.
