

Sean Mayer joins Neel-Schaffer as Transportation Senior Project Manager in Tennessee

NASHVILLE, Tenn. (April 19, 2022) – Neel-Schaffer, Inc., is pleased to announce that Sean Mayer, PE, has joined the firm and will serve as a Transportation Senior Project Manager based in the firm’s Nashville office.

Mayer has over 22 years of experience in the planning and design of major transportation improvement and facility projects in the San Francisco Bay area. He is well-versed in permitting processes and project development procedures, including project study reports, project reports, and PS&E. His responsibilities have included: alternatives analysis, preliminary and final engineering design, preparation of stage construction and traffic management plans, preparation of design exception fact sheets, and stormwater data reports. He has provided designs for interchanges, highway corridors, on-and off-ramp modifications, grade separations, local street improvements, and sound barriers.

Mayer will manage major highway construction projects for Neel-Schaffer.

“We are thrilled that Sean has relocated to the Nashville area and joined our Neel-Schaffer family,” said Richard Sullivan, PE, Tennessee Operations Manager for the firm. “He brings a tremendous wealth of transportation design and management experience and has been involved in many very large, complicated projects in California. He will be a tremendous asset as we continue to expand the services we offer to the Tennessee Department of Transportation and other clients across Tennessee and the region.”

Mayer is a registered Professional Engineer. He is a graduate of California State University – Chico, with a Bachelor of Science degree in Civil Engineering.

About Neel-Schaffer Inc.
