

Vaishali Kandpal joins Neel-Schaffer as Water Resources Engineer in Texas

ARLINGTON, Texas (October 10, 2022) – Neel-Schaffer, Inc., is continuing to expand its water resources team with the addition of Vaishali Kandpal, EIT, to serve as a Water Resources Engineer in Training in the firm’s Arlington office.

Kandpal has more than four years of experience as a Water Resources Engineer and providing Hydrology and Hydraulics Modeling services. Kandpal has joined Neel-Schaffer’s diverse group of Water Resources Engineers and will work on a variety of H&H, floodplain modeling, and drainage/design projects.

“We are very excited to have Vaishali come aboard to add more strength and expertise to the company’s Water Resources group, while helping grow our H&H group in Texas,” said Derek Cheatham, PE, Neel-Schaffer’s North Texas Operations Manager. “We look forward to Vaishali getting involved in Water Resources projects across the company.”

“Vaishali brings great Water Resources experience to our team and we look forward to working with her,” said Glenn Ledet, PE, Neel-Schaffer’s Water Resources Market Sector Leader.

Kandpal is a Registered Engineer in Training. She holds a Bachelor of Technology degree in Agricultural Engineering from GB Pant University in India and a Master of Science degree in Biological Engineering from the University of Arkansas.
