

Phillip Gibson to lead Neel-Schaffer Central Mississippi Water/Wastewater Group

JACKSON, Miss. (March 1, 2018) – Neel-Schaffer, Inc., is pleased to announce that Phillip Gibson, PE, has re-joined the firm and will manage the company’s Central Mississippi Water/Wastewater Department.

Gibson has more than 26 years of experience, including 15 years working for Neel-Schaffer from 1992 through 2007. He founded Gibson Engineering, Inc., in 2011. He will be based in Neel-Schaffer’s Jackson office, providing water and wastewater services for clients across the state.

“We are very pleased that Phillip has returned to Neel-Schaffer,” said Keith O’Keefe, PE, Senior Vice President for Neel-Schaffer’s Central Mississippi operation. “He is one of the most respected water and wastewater professionals in this region, and his extensive experience and expertise will be a valuable addition as we continue to expand our services throughout Mississippi.”

Gibson is a Registered Professional Engineer in Mississippi, Louisiana, Texas, Arkansas, and Alabama. He holds a Bachelor of Science and Master of Science in civil engineering from Mississippi State University.
